

Golden I (live)

Mindless Self Indulgence

Yo, yo, yo, yo, yo, yo
I be that golden I
You watch me burning deep inside of you
I be that golden I
Now I rock steady but it don't mean nothing cause I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself
Say I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself Now, now, now
I be that golden I
You watch me burning deep inside of you
I be that golden I
Now I rock steady but it don't mean nothing cause I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself
Say I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself I be the cock in a jungle coming for you baby
I be the cock in a jungle burning I'd meet a good girl but I'd make a terrible boy
I'd meet a good boy but I'd make a terrible girl
I'd meet a good boy, good girl, terrible girl
Terrible girl, terrible girl I be that golden I
And now me burning deep inside of you
I be that golden I
And now I rock steady cause I don't know nothing but I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself,
Say I ain't shit, yo and that's ok cause
I wrote the note so you can watch me hang myself
