

What Makes You Think You're the One

Fleetwood Mac

Written by Lindsey Buckingham. What makes you think you're the one

Who can laugh without cryin'?

What makes you think you're the one

Who can live without dyin'?

Every little bit

Is there

To see

Every little bit

Of you

And me What makes you think I'm the one

Who'll be there when you're callin'?

What makes you think I'm the one

Who will catch you when you're fallin'?

Every little bit

Is there

To see

Every little bit

Of you

And me What makes you think I'm the one

Who will love you forever?

Everything you do has been done

And this won't last forever

Every little bit

Is there

To see

Every little bit

Of you

And me
