

Daylight In Your Eyes

Stefan Raab + Herb & The Heavytones

Wanna know you better
wanna push you baby but never too far
wanna show you heaven

wanna be like you just as strong as you areI wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylight in your eyes

I wanna be loved only stronger

I wanna be daylightWanna live forever

wanna touch your hand and explode like a star

wanna stand beside you

always be together wherever you areI wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylight in your eyes

I wanna be loved only stronger

I wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylightWanna know you better

wanna push you baby but never too far

wanna live forever

wanna be like you just as weak as you are

weak as you areI wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylight in your eyes

I wanna be loved only stronger

I wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylight(Daylight) I see it in your eyes

(daylight) I wanna be

just you and me

for all eternity.....

(daylight in your eyes, in your eyes, in your eyes)I wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylight in your eyes

I wanna be loved only stronger

I wanna be daylight in your eyes

I wanna be sunlight only warmer

I wanna be daylightDaylight

I see it in your eyes
