

# Good Bread Alley

## Eddie Vinson

I live in Good Bread Alley  
Ain't ashamed to say I do  
(Repeat)  
Any woman I love  
She lives in Good Bread Alley, too

She's a good lookin' woman  
Walks just like she owns the World  
(Repeat)  
Well, she's almost forty-seven  
But looks just like a teenage girl

We have no trouble with our women  
'Cause there ain't no pimps around  
(Repeat)  
If we find somebody cheatin'  
We'll run 'em out of town.

We pay a nickel for our coffee  
Sergeant sandwich costs a dime  
(Repeat)  
And with a coupla dollars  
You can eat a long long time

I live in Good Bread Alley  
Ain't ashamed to say I do  
(Repeat)  
If you want to keep your woman  
You can live in Good Bread Alley, too
