I'm The Man

Cheap Trick

Going down the road with a friend or two
Ain't nothing in the world, in the world I can't do
You thought you'd seen it all, you ain't seen nothing new
Ain't nothing in the world, in the world I can't doI can really rock, I'm a rock 'n' roller
And I can't control myselfBig city, big lights can see it up ahead
No one can stop me, I'm driving in your head
Make a name for myself and I'll be number one
And I'll turn around and turn around and know that I', the oneI can really rock, I'm a rock 'n' roller
And I can't control myself
I can really rock, really rock 'n' roll
And I can't control myselfI'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man
I'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man, yes, I amI'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man
I'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man, yes, I amI'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man
I'm the man in a rock 'n' roll band
I'm so crazy for you baby, yes, I'm the man, yes, I am
