

Faster And Faster To Nowhere

Donna Summer

Where am I going?
What is this place?
Somebody help me outta here
Oh I'm walking faster
Faster and faster to nowhere
Oh I'm running slower
Slower and slower to somewhere
'Cause this city is closing
Tighter and tighter around me
It's a nightmare, daymare
It's a bad mare no matter which way mare
Seems that
There must be some way to get out
But I just can't find it
People pushing, hustling
Rushing on into the future
Windows open, closing
In a way that they just never used to
Oh there's violence lurking
In the alleys where no one should dare go
So keep walking faster
Faster and faster to nowhere
I gotta get out somebody
That guy came with a gun
City's closing again
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere

Trip to nowhere
We're gonna take a little
Children crying, screaming
But no one lets on that they hear them
It's getting louder, louder
Surely that someone must hear them
'Cause the city's closing
Tighter and tighter around me
It's a nightmare, daymare
It's a bad mare no matter which way mare

Help me
I wanna get out, cut it out
Stop closing in on me, help
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
Trip to nowhere
Trip to nowhere
Trip to nowhere
We're gonna take a little
