

Don't Let Go

Wang Chung

I got your letter, I felt so scared
To pick up the paper knife and read within
I read the contents, I got what you meant
I know it's hard on you but don't give in
Maybe, maybe slow things go fast
Maybe, maybe it's all in the past Oh oh, if you need me don't let go-oh
(You know I'll never give up on you)
Oh oh, if you need me don't let go-oh
(You know I won't give up on you) You know I will never give up on you I phoned the station for information
[Incomprehensible] of trains to York
And on the platform I saw your hat form
A kind of halo in the crowd, crush talk
But baby, baby don't run away
Maybe, maybe it's just today Oh oh, if you need me don't let go-oh
(You know I'll never give up on you)
Oh oh, if you need me don't let go-oh
(You know I won't give up on you) Don't let go
You know I will never give up on you You dropped your suitcase, I saw your sad face
And I appreciate the state you're in
You mustn't worry, you mustn't hurry
I know it's hard on you but don't give in
Maybe, maybe slow things go fast
Maybe, maybe it's all in the past Oh oh, if you need me don't let go-oh
(You know I'll never give up on you)
Oh oh, if you need me don't let go-oh
(You know I won't give up on you)
Don't let go I will never give up on you
I will never give up on you
