For You

Johnny Cash & Dave Matthews

I will drink the cup, the poison overflowing
I will lift you up, watch over where you're going
The first one in The last one gone
I'll be the rock to stand upon
For you
For you
My spirit aches and I can't stop this river flowing
In fear I take, each labored breath I draw in knowing
That this could be my last, my final hour
But faith and hope and love give me the power
For you
For you
"Yea though I walk through the valley of the shadow of death
I will fear no evil for you are with me"
You are with me
I'll be your salvation though the storm's surrounding
There on our own conditions, lay my body down
In the wake abondon willing sacrifice
I'll walk though the canyon, bring the shadows life
For you
For you
I will drink the cup, the poison overflowing
I will lift you up watch over where you're going
The first on in the last one gone
I'll be the rock to stand upon
The first on in the, last one gone
I'll be the rock to stand upon
For you
For you
For you
