

X-Water

DTCV

The pressure is on
The water is mine
So while you're in don't
Give up on me nowUptime!
Uptime!The water is on
And it hits hard
And if you sleep it off
Don't want to be found
I need thunder
And I need it for years
But I wonder
If I ever needed youUptime!
Uptime!
Show me your light
Show me your home
I don't need love
I don't need your soulI can't be thought of
Can't even stand you
No wonder I never needed you
