

# Links On the Chain

Phil Ochs

Come you ranks of labor, come you union core  
And see if you remember the struggles of before  
When you were standing helpless on the outside of the door  
And you started building links on the chain, on the chain  
And you started building links on the chain When the police on the horses were waitin' on demand  
Ridin' through the strike with the pistols in their hands  
Swingin' at the skulls of many a union man  
As you built one more link on the chain, on the chain  
As you built one more link on the chain Then the army of the fascists tried to put you on the run  
But the army of the union, they did what could be done  
Oh, the power of the factory was greater than the gun  
As you built one more link on the chain, on the chain  
As you built one more link on the chain And then in 1954, decisions finally made  
Oh, the black man was a-risin' fast, racin' from the shade  
And your union took no stand and your union was betrayed  
As you lost yourself a link on the chain, on the chain  
As you lost yourself a link on the chain And then there came the boycotts and then the freedom rides  
And forgetting what you stood for, you tried to block the tide  
Oh, the automation bosses were laughin' on the side  
As they watched you lose your link on the chain, on the chain  
As they watched you lose your link on the chain You know when they block your trucks boys by layin' on the  
road  
All that they are doin' is all that you have showed  
That you gotta strike, you gotta fight to get what you are owed  
When you're building all your links on the chain, on the chain  
When you're building all your links on the chain And the man who tries to tell you that they'll take your job  
away  
He's the same man who was scabbin' hard just the other day  
And your union's not a union till he's thrown out of the way  
And he's chokin' on your links of the chain, of the chain  
And he's chokin' on your links of the chain For now the times are tellin' you the times are rollin' on  
And you're fighting for the same thing, the jobs that will be gone  
Now it's only fair to ask your boys, which side are you on?  
As you're buildin' all your links on the chain, on the chain  
As you're buildin' all your links on the chain
