

Tell It to Her

Pat Benatar

I'm the one you put all your stories on
She's the one, you keep it a secret from
She believes you just like I did at the start
When you wrapped up my heart and played with my emotions Tell it to her
'Cause I don't want to hear it
Tell it to her
I know why she would There's a fool born every minute
When you're in it, it feels so good
Why don't you tell it to her She don't know the darker side of you
She don't know what your love will put her through
Your sweet talkin' makes her feel so safe and sure
But that won't change what you are and I'm the one who knows it Tell it to her
'Cause I don't want to hear it
Tell it to her
I know why she would There's a fool born every minute
When you're in it, it feels so good
Why don't you tell it to her 'Cause I don't want to hear it
Tell it to her
I know why she would There's a fool born every minute
When you're in it, it feels so good You're the one who had it all and wanted more
But you can't do it to me anymore Tell it to her
'Cause I don't want to hear it
Tell it to her
I know why she would There's a fool born every minute
When you're in it, it feels so good
Why don't you tell it to her 'Cause I don't want to hear it
Tell it to her
I don't want to hear it
Tell it to her
Go on and tell it to her Tell it to her
There's a fool born every minute
Tell it to her
Go on and tell it to her
Tell it to her
