

You're the Greatest Love

Bonnie Tyler

You've got the look of love
Oh from heaven above
Your cool blue eyes
Are killin' me
I'm hooked on you
You're my fantasy When two hearts collide
There is no place to hide
Tell me your dreams
I'll tell you mine
To lose this love
Would he a crime [Chorus x2]
You're the greatest love
(the greatest of all)
I'll be there whenever you call
You're my one and only
Baby, when I'm lonely
Just the thought of you
It drives me wild Oh make it sweet, I'm dyin'
There'd be no reason why
Tell me your dreams
I'll tell you mine
To lose this love
Would he a crime [Chorus] Don't stop lovin'
Don't stop tryin'
Yeah I'll give my heart
You'll never see me cryin'
Don't stop lovin'
Don't stop at all
I'll always be around
Whenever you fall [Chorus]
You're the greatest love
