Zen

Strapping Young Lad

Oh, did you think that I was kidding
Oh, did you think that I was
Oh, too late, too late...
Aw, too late motherfuckerMust remember to keep both feet on the ground
Everything in my life is turning aroundThen... we're the only ones
We're gods, not demonsZen
Zen
Zen...(on the way I'm feeling)
Zen...(on the way we're feeling)On we go...we're waiting now...Are you looking at me
Why do you keep looking at me
Am I not mercifulYes
We're the only ones
We're gods and demonsZen
Zen
Zen...(on the way I'm feeling)
Zen...(on the way we're feeling)
Zen...(on the way I'm feeling)
Zen...(on the way we're feeling)Connect now and emerge.
