

# Last Thing On My Mind

## Beatifics

There was something in your voice  
That was telling me don't be too sure  
    Arousing my suspicions  
    I have never felt before  
    I thought we had it made  
    I thought you'd never go away  
But now you're suddenly like a stranger  
    And you're leaving our love behind  
    Of all the things I was ever planning for  
    This was the last thing on my mind  
    When I looked into your eyes  
There was something you weren't telling me  
    But in my confusion  
    I just couldn't see  
    If there was any doubt  
    I thought that we would work it out  
But now you're suddenly like a stranger  
    And you're leaving our love behind  
    Of all the things I was ever planning for  
    This was the last thing on my mind  
    This was the last thing on my mind  
    There was something in your voice  
    That was telling me don't be too sure  
    Arousing my suspicions  
    I have never felt before  
    I thought we had it made  
    I thought you'd never go away  
But now you're suddenly like a stranger  
    And you're leaving our love behind  
    Of all the things I was ever planning for  
    This was the last thing on my mind
