

Live at E's

Sublime

Yesterday I saw a whore
Lookin' out for more
While she makes my body aches
When I walk in then I say Oh, well, uh, I'm on the mic doin', uh
Things you like and I'm, uh
Pleasy G and I'm, uh
Treat you right 'cause all the ladies and me
You see we both agree
That, uh I'm goin' down in world history, well yo Whoa she makes my body ache
And you know I live for more
I won't flake or perpetrate
I won't front no funky ho Don't get me wrong I'm just, uh
Singin' my song, I'm just like you
I like to ball my freaks all night long
Not only do, I rhyme I also cut so nice
And all the fightin' perpetratin' D.J.'s want my slice
'Cause I'm select Perpetratin' D.J.'s, come and look for me
Rock me rubadub rock and roll M.C.
So sweet and so nice
They call me delight Go, go, go, go, go, go, go Go Eric
Think of somthin', uh
Sing somthin', uh My name is Eric, I have nothing to say
'Cause I'm not a fucking D.J.
And if you wanna come talk to me
Then you gotta talk to my man Bradley Uh uh, elected
My rhyme's have been perfected
The fightin' M.C.'s will be dissected and rejected
I am the most supressive, aspective, and progressive
Motivating, innovating, chillin' and digested It's obvious as ever it will be specialized
If your trying to prevent, uh
It can't be compromised
I am a fresh M.C. as you can plainly see
You won't regret a D.J. a fresh MC, you'll soon agree
So take a seat and feel the beat
Of course it is okay, uh, uh Yes that's the ras MG
Yo! On judgement day
That's right, we outta here
Five thousand G, five thousand G
We outta here, we outta here

Peace, nothing but peace and unity
Seen love to go fighting war in the middle east, say
Alright
