

Torn Apart (Bastille VS. GRADES)

Bastille & GRADES

I could only be myself
With you around
Oh, oh
With you around
Now there's nothing left for me
To think about
Oh, oh
To think about

And it hurts like hell
To be torn apart
And it hurts like hell
To be thrown around

We were born to be together
Torn apart
Torn apart
We were born to be together
Torn apart
Torn apart

You step with a heavy tread
And left your mark
Oh, oh
Your mark on me
Space you use to fill is now
This great black hole
Oh, oh
You're out of sight
But not out of my mind

And it hurts like hell
To be torn apart
And it hurts like hell
To be thrown around

We were born to be together
Torn apart
Torn apart
We were born to be together

Torn apart
Torn apart

We were born to be together
Torn apart
Torn apart
We were born to be together
Torn apart
Torn apart
