Love Ballad

Gary Bartz

I have never been so much
In love before
What a difference a true love made in my life
So nice, so rightLovin' you gave me something new
That I've never felt, never dreamed of
Something's changed though it's not the
Feeling I had before, oh, it's much much moreLove, I never knew that a touch
Would mean, so much
What a difference and we walk hand in hand
I feel so realLovers come and then lovers go
That's what folks say, don't they know
They're not there, when you love me, hold me and say, okay
And what we have is much more than they could seeWhat we have is much more than they could see
What we have is much more than they could see
What we have is much more than they could see
What we have is much more than they could seeWhat we have is much more than they could see
What we have is much more than they could see
What we have is much more than they could see
What we have is much more than they could see
What we have is much more than they could see
