Somewhere in Old Wyoming

Riley Puckett

Somewhere in old Wyoming Riley Puckett 1930

Won't you tell me only
Cell pal of mine
Why you look so lonely
Most all the time

Listen and I answer
Why I can begin
I may be near but my heart is
many miles away

Somewhere in old Wyoming
Lives a girl I love
We used to stroll in the gloaming
Under the stars above

Oh how I wish I could see her
Oh how I wish I could b-e
Somewhere in old Wyoming
Where the girl who waits for me

We would walk together
Down through lovers lane
Now we're not together
And mine to blame

Things would all be different
If I knew what's right
I wouldn't be broken hearted
As I am tonight

Somewhere in old Wyoming
Lives a girl I love
We use to stroll in the gloaming
Under the stars above

Oh how I wish I could see her
Oh how I wish I could b-e
Somewhere in old Wyoming

Where the girl who waits for me
