Skydive

Hellberg

Maybe I've been waiting for you,
To show me there's a dreamer like you,
That's waiting too, that's not afraid to lose
And maybe I've been holding on to,
All the little wrecks I've gone through,
I'm learning at last, I fall too fast
But I, I don't wanna parachute into love,
No, I wanna skydive
And fall until we fly, live until we die together,
If heaven is my home, you could only make it better
Don't wanna wait another day,
No, I want you now forever,
Don't wanna parachute into love
I've seen a million faces, finally
One of them erases every wound I wear,
And leaves me bare

But I, I don't wanna parachute into love,
No, I wanna skydive
And fall until we fly, live until we die together,
If heaven is my home, you could only make it better
Don't wanna wait another day,
No, I want you now forever,
Don't wanna parachute into love
Into Love
I wanna skydive
I wanna skydive
And fall until we fly, live until we die together,
If heaven is my home, you could only make it better
Don't wanna wait another day,
No, I want you now forever,
Don't wanna parachute into love
Don't wanna parachute into love
