Freedom

Paul Renna

Side by side we're standing tall
We're leaving here
When in doubt the sun will fall
We're leaving here
Turn the pages scream and shout FREEDOMKeep the faith and let me know
Just how you feel
Hold my hand its time to show
Just how I feel
Turn the pages scream and shout FREEDOM
" repeat "I know the sun will be shining
When everybody is smiling
Freedom FreedomI wanna be free
I wanna be free
Say I wanna be free
I wanna be freeRaise your hands in the air
Sing out loud
And lets rejoyous a time to share
Sing out loud
Turn the pages scream and shout FreedomSide by side
We're leaving here
When in doubt the moon will fall
We're leaving here
Turn the pages scream and shout Freedom
" repeat "Freedom x 8
