Beautiful Life

Artemis

nothing really dies
nothingâ€™s ever lost forever
nothing really dies

itâ€™s a beautiful life

a child swaddled in questions
drifting through the universe
with no compass to guide
but a tiny ember burns
like a star inside

itâ€™s a beautiful life

caught in this gravity of being
this soulâ€™s fire
makes diamonds of the darkness in me
one blackbird chases after another
blindly to secure
a little big of real estate
a corner of the sky to conquer

itâ€™s a beautiful life
caught in this gravity of being

this soulâ€™s fire
makes diamonds of the darkness in me
cast in a silent spell
immobility
frozen under ice and stone
mountain wraps its arms round me
pressing diamonds of this heart of coal

itâ€™s a beautiful life
beautiful

nothing really dies
nothingâ€™s ever lost forever
