

# I've Got My Eyes On You

Dianne Reeves

Oh yeah, come on now  
Oh yeah  
Oh yeah, come on now  
Oh yeah  
Oh yeah, come on now  
Oh yeah  
Oh yeah, come on now  
Oh yeah, uh ow  
Boy I've been watchin' you  
And you've been watchin' me  
I know you want me baby  
I'm gonna make you see  
I'll give you whatcha need  
I know the way you feel  
I'll take you higher baby  
I want you here with me  
Everything you say  
Everything you do  
Makes me go crazy baby  
I want you  
You have turned me on  
And that's the way it is  
Nothin' could be  
Better than this  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nobody can stop me  
The feelin' is right  
See now I'm here for you  
And you are here for me  
I'm gonna show you boy  
That we were meant to be  
I've never been so sure  
And now I want you more  
Why don't you give it up

I'm gonna set you free now  
Everything you say  
Everything you do  
Makes me go crazy baby  
I want you  
You have turned me on  
And that's the way it is  
Nothin' could be  
Better than this  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nobody can stop me  
The feelin' is right  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nobody can stop me  
The feelin' is right  
Don't you know I go crazy for you baby  
Can't you see we were meant to be  
'Cause everything you say  
Everything you do  
Makes me go crazy baby  
I want you, oh yeah  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nobody can stop me  
The feelin' is right  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me

Nobody can stop me  
The feelin' is right  
I've got my eyes on you  
I'm gonna move ya  
I'm gonna groove ya  
Tonight is the night  
I've got my eyes on you  
I know you want me  
Nobody can stop me  
The feelin' is right  
I've got my eyes on you
