

The Truth

D.R. HOOKER

Tell me what do you do
When you know
That it's true
cause it's so
In a moment you understand
It's the truth
It's the truth you know Does it seem to pass you by
or do you try to change your mind
there is a way you can define it
seems to have just slipped my mind
but I've finally realized
that i know
I know it's the truth
coming through
With that in mind
What will i do Tell me what do you think
when you see
in a flash honestly
all the meaning
you couldn't see before
for sure(?)
at your door
It's the truth Do your thoughts begin to wander
and turn to games or fantasies
Rationalize or come with lies
It's too much responsibility for you
So it seems to me
Don't you see
there's got to be a change in you
It's the truth facing you
It's the truth
What will you be
Honestly I know i won't take no lifes
Won't you realize
It's the truth
