It'll Take A Long Time

Sandy Denny

Oh, it's like a storm at sea
And everything is lost
And the fretful sailors calling out their woes
As to the waves they're tossedOh, they are all gentlemen
And never will they know
If there is a reason each of them
Must go to join the cruel flowAnd it'll take a long, long time
It'll take a long, long time
It'll take a long, long time
Oh, it'll take such a long, long timeThere is no need for rules
There's no one to score the game
And there is no body living in this town
As even knows its name
