

Blue Side of Lonesome

[George Jones](#)

I'm callin' to tell you it's over
Yes darlin', you're now free to go
You're sayin', you're sorry you hurt me
But you can hurt me no more, I know You're asking me where this call comes from
Oh I hope, that it won't interfere
If your new romance turns out a failure
Well, here's where to find me my dear I'm just on the blue side of lonesome
Right next to the Heartbreak Hotel
In a tavern that's known as Three Tear Drops
On a bar stool not doin' so well The floor's got a carpet of sorrow
But no one can weep in the aisle
And they say someone broke the bar mirror
With only the ghost of a smile The hands of the clock never alter
For things never change in the place
There's no present, no past and no future
We're the ones who have lost in life's race I'm just on the blue side of lonesome
Right next to the Heartbreak Hotel
In a tavern that's known as Three Tear Drops
On a bar stool not doin' so well
