

# Hurry

## Sleeping At Last

I wrote a note to my future ghost  
Quoting words I've spoke  
And that I meant only half the time  
Now I only speak between grinding teeth  
And my constant sleep  
Cause that's the pace that I've got to go

So run along cause you had best be on your way

[Chorus]

Don't worry just hurry  
Cause you have got a lot to lose here  
But I'm catching up on that lost sleep  
Do I have a lot to lose

I am a man with my task at hand  
And my swollen glands  
And just a couple of days to go  
Until I'm on a stage

With my voice and bass  
And all my choices made  
And all the places I've got to go

So run along cause you had best be on your way

[Chorus x2]

So run along cause you had best be on your way  
Well run along cause you had best be on your way  
Well hey hey hey

[Chorus x2]
