Dance For Me

Sisqo

So it is you, you think you'll get away with the same thing again
Yup
Dance with me
I love the way you shake your lil' body for me
Come on what's my name uh, say my name come on, come on
Dance with me
I love the way you shake your lil' body for me
Come on say what's my name, come on come on, say my name
Let me whisk you away
Better yet some fries and a shake
Come on girl now don't be late
Just kiddin'
'Cause you like that baller shit
That negative degrees on the arm and shit
Better hop in the hoop with that prada shit
'Cause I ain't havin' it
Girl I can handle it
Or maybe we can do a little cha-cha
We can do a little ah-ah
Gotta go
But before I gotta go
You gotta know you got a body like whoa
Or maybe we can do a little ah-ah
Right before we do the cha-cha
Lemme know
But before you let me know I gotta make this last forever
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me
Moanin' me oh
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me

Moanin' me oh
Baby I like when you shake it
That freaky face when you make it
Girl you think you the shit when the beat hit
Don't stop
Make it drop, I can handle it
You know what you tryna do
All I know is that I know that I'm feelin' you
Your eyes
Your eyes like a vesta view
From the empire state
But we could see the moon
Or maybe we can do a little cha-cha
We can do a little ah-ah
Gotta go
But before I gotta go
You gotta know you got a body like whoa
Or maybe we can do a little ah-ah
Right before we do the cha-cha
Lemme know
But before you let me know I'm tryna make this last forever
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me

They holdin' me
Fell like they controllin' me
Moanin' me oh
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me
Ooh yeah
Break it down
I don't mean no disrespeezy
I'm just tryna make you see that
Where I'm from
Yo shorty you the bomb
Don't get me wrong
I want you more than 'cause you're beautiful
So don't desecrate my virgin eyes
Infatuation passes by

No you shouldn't feel this way
Baby all I have to say is
Bring it back
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me
Ohh
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me
Dance for me
I love the way you shake your lil' body for me
Your eyes
Your eyes
They make me feel baby
Dance for me
I love the way you shake your lil' body for me
Oh your eyes
Take over me
They holdin' me
Fell like they controllin' me
What's my name?
Say my name
Come on what's my name?
Say my name
Come on come on
What's my name?
Yo say my name
What's my name?
Now dance with me
Dance with me
Just dance with me
Come on dance with me
Aah dance with me
Come on dance with me
Aah dance with me
Dance with me
