Look Away (feat. Caroline Polachek)

SBTRKT

From the moment that she
When she told you how she
But was she there when you needed that?
No, but you expect for moreWhen you see her tonight just
Look away, look away, look awayShe was never yours for the having
It's like nothing either happened
Look away, look away, look away
She was never yours for the having
It's like nothing either happened anywayLook away, look away, no, no
Look away, look away, look away-ay-ay
No, noLook away, look away, look away(She was never yours for the)
Look away, look away, look away
(She was never yours for the)
Look away, look away, look away
She was never yours for the having
For the having, for the having
For theLook away, look away
She was never yours for the having
It's like nothing either happened
Look away, look away, look away
She was never yours for the having
It's like nothing either happened
(She was never yours for the)
Look away, look away, look away
(No, she was never yours for the)
Look away, look away, look away
(She was never yours for the)
She was never yours for the having
It's like nothing either happened
