Queen

Perfume Genius

Don't you know your queen?
Yet even flower bloom at my feet
Don't you know your queen?
Cracked, peeling
Riddled with disease
Don't you know meCHORUS:
No family is safe
When I sashayDon't you know your queen?
Gleaning, wrapped in golden leaves
Don't you know me
Rank, ragged
Skin sewn on sheets
Case in the barracks
For an ass to break and harness into the fold
MaryCHORUS:
No family is safe
When I sashay
