Guilty As Charged

Dewey Cox

Good morning, your honor
May I approach the bench?I don't give a damn what anyone thinks
I stay up all night and I smoke and I drink
I'm a wanted man and I'm blowin' town
Don't waste your time tryin' to hunt me downThe cops are sayin' I belong behind bars
And I'm guilty, I'm guilty as chargedI ain't never lost a fight in my life
I'll send you home crying to your fat and ugly wife
If you don't believe me when I tell you this
Well, let me introduce you to my rock hard fistIf you're accusing me of living too hard
Well I'm guilty, I'm guilty as chargedI ain't asking God to forgive my sins
Take a good look and you'll know where I've been
I'm dancing with the devil every night and everyday
People pay attention to the things that I sayI don't need anybody's help to rise above it
If you don't like the way I'm livin' buddy, why don't you shove it?
When you feel the ground shaking underneath your feet
Oh, that's yours truly walkin' down the streetCome a little closer, girl, I'll show you my scars
And I'm guilty, I'm guilty as charged
If you're saying my love is too large
Then I'm guilty, I'm guilty as chargedOh, I'm guilty, I'm guilty as charged
You got me, I'm guilty as charged
