Just Another Girl

Johnny Thunders

Well I'm talking, I'm talking to you
All your girlfriends they fit in my silver, my silver spoon
Because you're just another girl, that's what you are
You're just another girl - pretty but not too smart, not smarter than meWell you know, yeah, I know
You import your girls from Central Park children's zooYeah, I'm talking to you
Well you're just another girl, that's what you areYou're just another girl
pretty but not too smart, not smarter than me
Well I'm talking, I'm talking to you
All your girlfriends they fit in my silver, my silver spoon
Because you're just another girl, that's what you are
You're just another girl
pretty but not too smart, not smarter than me
Hey! not smarter than me HEY! HEY! HEY!
