

Empty (Sizzle Bird Remix)

Metric

There was no way out, the only way out was to give in
There was no way out, the only way out was to give in
How I love to give in Here no one sleeps, one lays up while the other lies down
Where no one sleeps, one lays up while the other lies down
Ask the line on your face what the line on your hand meant
We couldn't see what was coming Shake your head it's empty
Shake your hips move your feet
Shake your head it's empty
Shake your hips move your feet I'm so glad that I'm an island now
