

Freeway (Acoustic Version)

[Aimee Mann](#)

You got a lot of money, but you can't afford the freeway
The road to Orange County leaves an awful lot of leeway
Where everyone's a doctor or a specialist in retail
They'll sell you all the speed you want if you can take the blackmail You know it
I know it
Why don't you
Just show it?

You got a lot of money, but you can't afford the freeway
You got a lot of money, but you can't afford the freeway You got a lot of money, but you cannot keep your bills
paid

The sacrifice is worth it just to hang around the arcade
You found yourself a prophet, but you left him on the boardwalk
Another chocolate Easter bunny, hollowed out by your talk You know it
I know it
Why don't you
Just show it?

You got a lot of money, but you can't afford the freeway
You got a lot of money, but you can't afford the freeway And everything I do is wrong
But at least I'm hanging on You got a lot of money, but you can't afford
You got a lot of money, but you can't afford
You got a lot of money, but you can't afford the freeway
You got a lot of money, but you can't afford the freeway
You got a lot of money, but you
Can't afford
You got a lot of money, but you
Can't afford
