Ko Ko Blue

Zz Top

One, two, whatcha gonna do?
Can you come and see me tonight?
Black, white, feel alright
If you could in broad daylight
If I could get to see her
You know I'd try to please her
Oh my, Ko Ko
Don't try to ask me why
She set my soul on fire
Oh my, Ko Ko Blue
Oh my, Ko Ko Blue
You're hot, the cold, I'm rollin' low
Jukin' down to twelve midnight
On ice cream, you know what I mean
I think I got flavor you'll like
If I could get to see her
You know I'd try to please her
Oh my, Ko Ko
Don't try to ask me why
She set my soul on fire
Oh my, Ko Ko Blue
So oh, my Ko Ko Blue
Hillbilly Willy, he's quite a guy
From eatin' some of Ko Ko's pie
She's nice if you ask her twice
Ask him and he'll testify
If I could get to see her
You know I'd try to please her
Oh my, Ko Ko
Don't try to ask me why
She set my soul on fire
Oh my, Ko Ko Blue
Oh my, Ko Ko Blue
