

We Are One

[Mike Williams](#)

Hey brother, hey sister - hey Mister
Let's be one, we are one
No more war, close that door, let's do more
Let's be one, we are one No more time for lies and deceit
Get out of line and up on your feet - yeah Let's be one, we are one
Let's be one, we are one Take a stand, do you understand? Yes we can
Let's be one, we are one
Let's make change, not rearrange, it might seem strange
Let's be one, we are one
