

# Limits

## BMV

And it starts with the beat of a drum far away  
I took a chance at your mind, I've come to play  
I get the buzz from you girl, I buzz away  
In my car, in my house and in my bed today  
I never wanted to stand the loving game  
I write your name on my hand to fan the flame  
I'm looking twice at you girl, we're not the same  
And if we fight you're the one to blame  
But now suddenly I don't find the time to see you  
But come close to me and then act like I don't know you  
It's not good for me, I can't find the time to see you  
But come close to me and then act like I don't know you  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
And it starts with the beat of a drum far away  
I took a chance at your mind, I've come to play  
I get the buzz from you girl, I buzz away  
In my car, in my house and in my bed today  
I never wanted to stand the loving game  
I write your name on my hand to fan the flame  
I'm looking twice at you girl, we're not the same  
And if we fight you're the one to blame  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life

Trying to keep up with my friends  
Trying to keep up with my friends  
Keep spending limits of my life  
Trying to keep up with my friends  
Trying to keep up with my friends
