

Until You Were Gone (Feat Esmée Denters)

Chipmunk

Oh whoa oh oh oh oh oh oh

Oh whoa oh oh oh oh oh oh

Oh whoa oh oh oh oh oh oh

Oh whoa oh oh oh oh oh oh

CheckIf I had all the money in the world

I still couldn't buy me a brand new girl (Alright love?),

Too much clubbing, not enough loving

Too much shopping, too busy chasing this thriller

Who's now took a lost on your winner

Sitting there singing this song like

You never know what you've got 'til it's gone likeDamn, I wish I would've seen it coming

Cause I blink for a second and you caught me slipping, Oh, Oh, Oh

Now we're done before we even started

Didn't know how much I missed you

(Didn't know how much I would miss you

I messed up the perfect picture)

Until You Were Gone, gone, gone

Until You Were Gone, gone, gone

Until You Were Gone, gone, gone

I didn't know how much I missed you

Oh whoa oh oh oh oh oh oh

Oh whoa oh oh oh oh oh oh-ohLet me go, YeahAnd look still I'm here

She left me with no idea

I just don't get it, it's kinda weird

How you took off quicker than my career. it's kinda left

It took a wrong man to admit he's wrong

Still can't do it, I just put it in a song

So don't correct me, I know that I'm wrong

(I just need love)

I'm too stuck in my ways,

And I know this ain't helping me change

And I'm sitting here singing this song like

You never know what you've got 'til it's gone likeDamn, I wish I would've seen it coming

Cause I blink for a second and you caught me slipping, Oh, Oh, Oh

Now we're done before we even started

Didn't know how much I missed you

(Didn't know how much I would miss you

I messed up the perfect picture)

Until You Were Gone, gone, gone

Until You Were Gone, gone, gone
Until You Were Gone, gone, gone
I didn't know how much I missed you
Oh whoa oh oh oh oh oh oh
Oh whoa oh oh oh oh oh-oh (Whoaa)Let me go, YeahI'm too stressed and I'm trying not to flip
I close my eyes and you're beside my lips
So I try not to blink for one split sec
Cus she bought in, and got my piece wrecked
Since you left, nothing ain't right
Two different ways, we have to part sides
It's a long sighting, y'know, It ain't the same when you went missing
Didn't know how much I missed you until you were gone, gone, goneUntil you were gone, gone, gone
Until you were gone, gone, gone
Until you were gone, gone, goneI didn't know how much I missed you
(Didn't know how much I would miss you
I messed up the perfect picture)Damn, I wish I would've seen it coming
Cause I blink for a second and you caught me slipping, Oh, Oh, Oh
Now we're done before we even started
I didn't know how much I missed youUntil You Were Gone, gone, gone
Until You Were Gone, gone, gone
Until You Were Gone, gone, gone
