

Drowning In Viscera

Cannibal Corpse

Engulfed in the innards of rotting cadavers a rancid gore sea

Asphyxiation

Tangled intestines become my reality , choking on guts

Asphyxiation gasping for breath, drowning in viscera Slowly to taper away dissipate

Absorbing this ultimate carnage surrounding me

Soaking in entrails decayed, decomposed

Entombed without reason in moist isolation of repugnancy Morose sensation

Covered completely as terror, enhances pain, to suffocate

Morose sensation

Gasping for breath , drowning in viscera Sinking in this tamped hell, pestilent

Smothered in heaping chunks stinking flesh putrefies

Decomposition ensures burial

Inundated languid doom Iniquity, submerged ending

Primeval swamp, sanguinary

Inescapable abuse Starting to fade, blood saturates

Deadly embrace, immolated

Imbued with pus of the dead Eviscerate another life gutted soul

Morbidity, obliterate, engrossing plight fatal rot

Consuming scum, drenched in evil excrement

Sent to a world to die in pain by drowning in viscera Engulfed in the innards of rotting cadavers a rancid gore sea

Asphyxiation

Tangled intestines become my reality choking on guts

Morose sensation gasping for breath, drowning in viscera Eviscerate another life gutted soul

Morbidity, obliterate, engrossing plight fatal rot

Consuming scum, drenched in evil excrement

Sent to a world to die in pain by drowning in viscera
