

Bright Eyes

Blind Guardian

Fool just another
Fool just another I've been waiting
For signs of god Create
Enslaved
Behaved
Everything is out of control Leave me alone
Isolation bears hope
There's something else waiting
A promised destiny
Freezing me
I feel restless and low
These days full of sadness
Had joyfully changed
Into fear My freakshow will start tonight
Don't miss the right time Bright eyes
Blinded by fear of life
No Merlin is by my side Everything is out of control
Everything is out of control
In my future plans
Everything is out of control
No one's left to hurt
Everything is out of control
Sorrow's gone away Broken memories
Walking upstairs
Step by step
I see the whole world burning
The poet dies in Neverland
How it burns Hey, mother stubborn
I really hate you
If you say yes I will say no
Ashes to ashes
But dust won't be dust
If you go there
I will go back Bright eyes
Blinded by fear of life
Betrayed by sunrise
Bright eyes
Blinded by fear of life
No Merlin is by my side Hey, father stubborn

You're ying
And I'm young
I feel alone
Who really cares
Born into ashes
To lose all the games
With a smiling faceBright eyes
Blinded by fear of life
And dark dragons rise
Bright eyes
Blinded by fear of life
No Merlin is by my sideSo I sit still in my room, today
Winter's here
In summer's season
Shall I say
I was wrong
If I'm right
Farewell to my last hope
