

# Start Again (feat. Samantha Jade)

Stan Walker

With every door that closes in  
Don't be afraid, to start again  
I am with you, I'll be with you  
Don't be afraid, we can start again Imagine a world with no struggle  
We wouldn't know hope, we would have no pain  
But in the dark we find a stronger man  
We keep moving forward, take my hand  
Won't leave you behind, I'll carry you through  
I'll stand by your side, nothing we can not do  
So lift your eyes, towards the skies Nothing compares to this life  
With every door that closes in  
Don't be afraid, to start again  
I am with you, I'll be with you  
Don't be afraid, we can start again  
I'll hold you close, you can stand  
You will rise, you can start again  
You can start again, you can start again  
You can start again, you can start again  
Woah-oh-oh-oh-oh, woah-oh-oh-oh-oh  
Woah-oh-oh-oh-oh, woah-oh-oh-oh-oh I'll hold you close, you can stand  
You will rise, you can start again I'll be awake, they will not be moved  
Your burns are lifted, out of you  
(Now you opened my eyes to reclaim this life  
I was drowning in the sea until you rescued me)  
So come up babe, to the battle field  
I will be your armor, the sword and shield  
(We will rise again with our broken wings  
We will learn to fly where our souls are free) With every door that closes in  
Don't be afraid, to start again  
I am with you, I'll be with you  
Don't be afraid, we can start again  
I'll hold you close, you can stand  
You will rise, you can start again  
You can start again, you can start again  
You can start again, you can start again  
Woah-oh-oh-oh-oh, woah-oh-oh-oh-oh  
I'll hold you close, you can stand  
You will rise, you can start again  
I'll hold you close, you can stand

You will rise, you can start again  
Start again, start again
