

Run Between The Raindrops

Pat Benatar

It's always one thing or another, seems like we never get ahead
Reaching out for the brass ring, and landing in the dirt instead
We can't get past yesterday, we're only counting down from ten
It seems like every move we make, brings us back where we began

You've gotta Run Between The Raindrops

If you want to see the sun

Run, Run, Run, Between The Raindrops

Run Between The Raindrops, if you want to see the sun

Run, Run, Run, - Run Baby Run Somewhere there's a sun that's shining

Somewhere we'll find a life that's good

Some way I'm gonna make it happen

Just like you always knew I could We're treading water on a river of tears

And I don't know what to do

I can take a beating, but I ain't gonna let it happen to you, you You've gotta Run Between The Raindrops

If you want to see the sun

Run, Run, Run, Between The Raindrops

Run Between The Raindrops, if you want to see the sun

You Gotta Run, Run, Run, - Run Baby Run We're treading water on a river of tears

And I don't know what to do You've gotta Run Between The Raindrops

If you want to see the sun

Run, Run, Run, Between The Raindrops

Run Between The Raindrops, if you want to see the sun

Run, Run, Run, - Run Baby Run Run Between The Raindrops, if you want to see the sun

You Gotta Run, Run, Run, - Run Baby Run You Gotta Run, Run, Run, - Run Baby Run
