

# It's Not for Me to Say

[Billie Holiday](#)

Robert Allen / Al StillmanIt's not for me to say you love me

It's not for me to say you'll always care

Oh, but here for the moment I can hold you fast

And press your lips to mine

And dream that love will last

As far as I can see this is heaven

And speaking just for me

It's ours to share

Perhaps the glow of love will grow

With every passing day

Or we may never meet again

But then, it's not for me to say

And speaking just for me

It's ours to share

Perhaps the glow of love will grow

With every passing day

Or we may never meet again

But then, it's not for me to say
