Beautiful Mistake (feat. Gabrielle Aplin)

Hudson Taylor

Heavy footsteps in my boots
Will I be the one you choose
I keep chasing hope away
Too proud to try and make a changeIf I had the chance
I'd thorw the words right back
And turn it all around
I wouldn't let you down
I don't want us to break
Into a beautiful mistakeAll the confidence I lacked
You gave it back in just two weeks
I don't wanna be your ghost anymore
Always digging up the past
If I had the chance
I'd thorw the words right back
And turn it all around
I wouldn't let you down
I don't want us to break
Into a beautiful mistakeWaiting for the moment
When we can make this right
Waiting for the moment
Of forgiveness in your eyesWaiting for the moment
When we can make this right
Waiting for the moment
Of forgiveness in your eyesWaiting for the moment
Waiting for the moment
Waiting for the moment
Waiting for the moment
If I had the chance
I'd thorw the words right back
And turn it all around
I wouldn't let you down
I don't want us to break
Into a beautiful mistake
