Hurricane (English version) TBHM

Antonia

Our love is like a hurricane
Got it swirling round in my brain
Feels like everyday's a Saturday
Right now I need a simple day
Cause love is like a hurricane
Call me up and just stop this feeling
I'll fight for you every single day
Our love is like a hurricaneAll my love's dead
You wanna break me
This is not fair
You wanna save me
Everything's bad, the night is coming
If our love is dead, then you can shoot me
You and your bad, you are so crazy
Everything's sad, outside is raining
You make a mess
You think you shot
And my life's low class
I'll always come the lastNo, no, no, no, no
No, no, no, no, noOur love is like a hurricane
Got it swirling round in my brain
Feels like everyday's a Saturday
Right now I need a simple day
Cause love is like a hurricane
Call me up and just stop this feeling
I'll fight for you every single day
Our love is like a hurricaneI must confess
I wanna save this
Breaking me bad
We gotta live this
You know I'm upset
Caught in the night
Men, gotta find light in the darkness
Try to repair all of the problems
You know that I care
So many problems
Look at my face
It's kinda lost now
Gotta escape from all of this, heyOur love is like a hurricane

Got it swirling round in my brain
Feels like everyday's a Saturday
Right now I need a simple day
Cause love is like a hurricane
Call me up and just stop this feeling
I'll fight for you every single day
Our love is like a hurricaneHurricane, gotta feel down through my veins
And I'm praying for a better day
And no way, no, I'm not giving up
No, we're not giving up, no
Hurricane, gotta feel down through my veins
And I'm praying for better daysOur love is like a hurricane
Got it swirling round in my brain
Feels like everyday's a Saturday
Right now I need a simple day
Cause love is like a hurricane
Call me up and just stop this feeling
I'll fight for you every single day
Our love is like a hurricaneNo, no, no, no, no
Our love is like a hurricane
No, no, no, no, no
Our love is like a hurrÃ¯cane
