This I Promise You

Ronan Keating

My love, here I stand before you
I am yours now from this moment on
Take my hand only you can stop me shaking
We'll share forever, this I promise youAnd when I look in your eyes, all of my life feels before me
And I'm not running anymore 'cause I already know I'm home
With every beat of my heart, I give you my love completely
My darling, this I promise youMy love, I can feel your heartbeat
As we dance now, closer than before
Don't let go, don't let go 'cause I can almost cry now
This is forever, I make this vow to youAnd when I look in your eyes, all of my life feels before me
And I'm not running anymore 'cause I already know I'm home
With every beat of my heart, I give you my love completely
My darling, this I promise you
