# D'You Have a Car?

## SWMRS

wait for it..

Sunday driving alwasy felt so lonesome.
i cant stand the thought of rotting right here. so maybe driving keeps you safe
are you so tired of waiting
are you tired of me
baby set me free
doyou got a car
dyou got a seat of keys
dyou got an empty seat
dyou got a car
my bedroom wals are felling more like prison
for bloodshot eyes someone set me free from these sad sad peoms
are you tired of waiting on some air to breathe
are you tired of me
are you tired of waiting
are you tired of me
tell me where you going is there room for me
