

Broadway

Goo Goo Dolls

Broadway is dark tonight
A little bit weaker
Than you used to be
Broadway is dark tonight See the young man sittin'
In the old mans bar
Waitin' for his turn to die The cowboy kills the rock star
And Friday nights gone too far
The dim light hides the years
On all the faded girls Forgotten but not gone
You drink it of your mind
You talk about the world
Like its someplace that youve been You see youd love to run home
But you know you aint got one
'Cause youre livin in a world
That youre best forgotten around here Broadway is dark tonight
A little bit weaker
Than you used to be
Broadway is dark tonight See the young man sittin'
In the old mans bar
Waitin' for his turn to die You choke down all your anger
Forget your only son
You pray to statues
When you're sober up for fun Your anger dont impress me
The world slapped in your face
It always rains like hell
On the losers day parade You see youd love to run home
But you know you aint got one
Cause youre livin in a world
That youre best forgotten When youre thinkin of a joke
And nobodys gonna listen
To one small point
I know they been missin round here Broadway is dark tonight
A little bit weaker
Than you used to be
Broadway is dark tonight See the young man sittin'
In the old mans bar
Waitin' for his turn to die You see youd love to run home
But you know you aint got one
Cause youre livin in a world

That you're best forgotten When you're thinkin' of a joke
Do you think that they'll listen
To the one small point
I know they been missin' round here, round here Broadway is dark tonight
A little bit weaker
Than you used to be
Broadway is dark tonight See the young man sittin'
In the old man's bar
Waitin' for his turn to die
