

# My Lord Has Called Me

George Jones

MY LORD HAS CALLED ME

WRITERS GEORGE JONES, WEYTEK My Lord, has called me today

To go the straight and narrow way

So for my Lord I'll surely live

Yes, my Lord has called today.

God warned us all

To live in sin no more

To place our faith in him

To reach the other shore.

My Lord, has called me today

To go the straight and narrow way

So for my Lord I'll surely live

Yes, my Lord has called today.

God warned us all

To live in sin no more

To place our faith in him

To reach the other shore.

My Lord, has called me today

To go the straight and narrow way

So for my Lord I'll surely live

Yes, my Lord has called today.
