

Waiter

Heathers

I used to feel alive
but then I went inside
tried all I could to care
change body over mind my vision isn't clear
I'll follow from behind
one day you'll feel alive
one day you'll feel alive chorus:
because time will not wait for us
we will stay where we started off
and if when ask that time would start
it will not wait
it will not wait ah-ah-ah oh-wa-ah
ah-ah-ah ohhhhhh
oh-oh-oh oh-whoa
oh-oh-oh ohhhhhh ah-ah-ah oh-wa-ah
ah-ah-ah ohhhhhh
oh-oh-oh oh-whoa
oh-oh-oh ohhhhhh a minute of my life
is all that I'll provide
you can take it as it is
can't waste my time being kind
stop blinding us with lies
we know the way it is
don't need you by my side
I need to feel alive because time will not wait for us
we will stay where we started off
and if when ask that time would start
It will not wait
It will not wait time time time time
time time time
time ah-ah-ah oh-wa-ah
ah-ah-ah ohhhhhh
oh-oh-oh oh-whoa
oh-oh-oh ohhhhhh
