

Soul Children

Big Head Todd and the Monsters

We are soul children.
Children of many colors.
Walkin' on a big black street
We all want different things.
We are soul children
Children of Freedom.
Children of rock and roll.
Children of confusion.[Chorus]
We are running faster, reaching higher
Burning in the sun.
We are reaching farther but we have lost our
Soul Children We are soul children.
Yes I'm a brother, yes I do believe.
We are soul children.
We must rise up from the deep.
We are soul children, try to feed our families and keep
Our mind free.
We are soul children, looking for a leader who'll do
Everything for 'me'. [Chorus]
